

Following are the awards which are given at the ANRC National Collegiate Championships. The first four are USHJA Affiliate award nominations.

**(1) ANRC Professional Service Award**

As an affiliate of the United States Hunter / Jumper Association, the ANRC Board will recognize annually an outstanding individual who has contributed significantly to the ANRC organization and has personified the Forward Riding System in their professional area, whether it may involve teaching, riding, training, judging or technical support. A designated committee consisting of at least three ANRC board members will determine the recipient of this award based on feedback from ANRC members and the equestrian community at large. The winner will be announced at the awards ceremony immediately following the ANRC National Collegiate Championship.

**(2) ANRC Collegiate Amateur Award**

As an affiliate of the United States Hunter / Jumper Association, the ANRC Board will present the ANRC Collegiate Amateur Rider Award to an individual or team competitor at the ANRC Intercollegiate National Championship beginning 2006. The recipient of this award will best represent the spirit of intercollegiate competition in all phases of the championship, outstanding horsemanship and sportsmanship. An ANRC Board member or an official coach may nominate a competitor at any time during the competition, but no later than the conclusion of the final mounted phase. A designated committee consisting of at least three ANRC board members will determine the recipient of the award based on feedback received from coaches, stewards and judges. The winner will be announced at the awards ceremony immediately following the championship.

**(3) ANRC Riding Instructor Award**

As an affiliate of the United States Hunter / Jumper Association, the ANRC Board will recognize annually an outstanding riding instructor who is dedicated to teaching the Forward Riding System. This award is designed to recognize a dedicated teacher who has spent time “in the ring” encouraging love and growth of forward riding to entry level riders, primarily at unrecognized competition level. The recipient of this award must be at minimum an Outreach member of the USHJA, at least 18 years of age and in good standing with USHJA. A designated committee consisting of at least three ANRC board members will determine the recipient of this award based on feedback from ANRC members. The winner will be announced at the awards ceremony immediately following the ANRC National Collegiate Championship.

**(4) ANRC Equitation Award**

As an affiliate of the United States Hunter/Jumper Association, ANRC is participating in the USHJA Affiliate Equitation Awards. Our National Intercollegiate Equitation Championship will be considered a Medals Final, and USHJA will provide an award to the highest scoring rider overall. The top ten individual finishers will receive a “keepsake” from the USHJA.

**ANRC Certifications**

National Division riders who score 70% or better on each of the riding phases and 80% or better on the written test will be awarded Level 3 Certifications. Novice Division riders with these percentages will receive Level 2 Certifications. Certification recipients will be announced at the awards ceremony immediately following the ANRC National Collegiate Championship if the scores have been computed by then.
